

Box Label Templates (Large)

Conference Welcome Bags & Kits

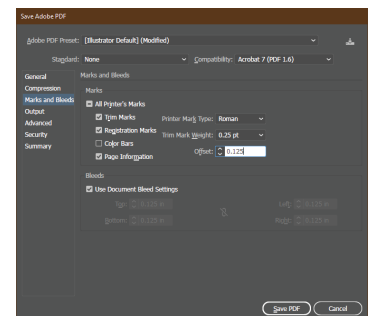

Add a “human” element to your virtual event by sending attendees a physical mailing to their homes.

Instructions:

Open this PDF in Adobe Illustrator to update the templates provided below

- 1- Create your art on the “ARTWORK” layer
- 2- Choose Artboard(s) for correct label location
- 3- Design in CMYK color mode
- 4- Convert all text to outlines
- 5- Raster images should be high resolution (300 dpi) and embedded into the file
- 6- IF design bleeds, take artwork .125” past edge of page (to the RED line)
- 7- IF saving as PDF, please include cropmarks and .125” bleed (see screen shot)
