omnipress

Flash Drive Artwork

max print area is : 7/8"x1/2"

front

back

Pantone Color(s): _____

_____

*Logo imprint on side of drive will fluctuate. (PC USB ports fluctuate also, thus the reason we do not suggest an extra cost to consistently print on the same side. Note, with cap on, both sides look the same.

Art Instructions

1- Create your art on the "Artwork" layer.

2- Specify Pantone colors (1 or 2) for your artwork.

3- Convert all text to outlines.

4- Send art in vector format. (Illustrator or editable PDF)

5- If vector art is unavailable, we can except single-color, high resolution TIFF images. (300 dpi)
